Carl A. Vincenti, PhD
Veterans Movement Foundation

Dear Carl,

Please accept my deepest appreciation and thanks for all you do in our community. We greatly appreciate your generous one thousand dollar (\$1,000) donation to our Hawaii State Emergency Food Fund. Please be assured that your donation will be used in our effort to establish food banks in the communities throughout the state. We realize that parishes play a critical role in the communities hit the hardest by natural disasters. Our prepositioned food banks will contribute greatly to relieving and lessening the devastating effect such events have on the people of our state.

You, my friend, by demonstrating leadership by example have set the standard for others to follow. We thank you for your efforts in supporting our emergency preparedness and please know that the supplies and food your donation is funding will save lives.

Vivat Jesus,

Angelito Alvarez

State Deputy, Knights of Columbus
